

Serial No. 10/674,213

REMARKS

These Remarks are in response to the Office Action dated August 24, 2005.

Claims 1-6 are pending in the application. Claims 1-5 are canceled without prejudice or disclaimer.

Applicants hereby elect Group B, claim 6 without traverse. Applicants are treating group B, claim 6, as including the wording of claim 5 because claim 6 is dependent off of claim 5.

Applicant is investigating inventorship to determine whether such should be amended in light of the cancelled claims. A timely Petition to change inventorship will be made if it is determined necessary.

No fee is due for filing this Reply because it is being filed with the shortened statutory period for response as set in the Office Action dated August 24, 2005.

The Examiner is invited to call the undersigned agent with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,

Date: September 22, 2005
